

SUNDAE GIRL

Freaky, sparkly, and pop-y. Grooves to make you sway. Named after a Blondie song and the tasty ice cream treat; Sundae Girl are a jangly, four-piece indie-rock band from Nova Scotia, Canada. Recalling and reinventing sounds from bands like Blondie and The Cure. Sundae Girl is a push and pull between conventional indie rock and their dream pop/shoegaze tilts. Throughout, their driving yet atmospheric sound remains remarkably textured and decidedly optimistic. Their debut EP “Just For Fun” is available on all streaming platforms.
